Abstract: State educational agencies (SEAs) with Migrant Education Programs collect information from state and local education officials who desire access to the Migrant Student Information Exchange (MSIX) system. The form verifies the applicant's need for MSIX data and authorizes the user's access to that data. The burden hours associated with the data collection are required to meet the statutory mandate in Sec. 1308(b) of Elementary and Secondary Education Act, as amended by No Child Left Behind, which is to facilitate the electronic exchange by the SEAs of a set of minimum data elements to address the educational and related needs of migratory children.
